Opis produktu

GROWATT 3-PHASE NETWORK INVERTER
MOD 12KTL3-X (AFCI)

We offer an inverter of the GROWATT brand, already known on the Polish market. The inverters are characterized by an affordable price and high quality. They are certified for the Polish market and are often used in prosumer installations. The manufacturer has a representative office in Poland, which guarantees service availability and proves a strong position on the Polish market.
You get a free Shine WiFi card for monitoring work via a mobile phone.

12,000 Watt power output
3 phase inverter, with dual MPPT. A typical implementation is an installation with 26 460W panels, two independent strings, identical panels in a string. NO SHADES!

Basic warranty 5 years. Additional 5-year warranty after registration and sending the form to the distributor in Poland. Description of the procedure in the "download" tab, document "Additional 5-year warranty"
